Article V
Maintenance; Conveyance of Property to Association

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. The Association shall also maintain (a) all entry features for the Community, including the expenses for water and electricity, if any, provided to all such entry features, (b) landscaping originally installed by the Declarant whether or not such landscaping is on a Lot or public right-of-way, (c) all drainage and detention areas which were originally maintained by the Declarant, to the extent such areas are not maintained on an ongoing basis by a local governmental entity, (d) all property outside of Lots located within the Community which was originally maintained by Declarant, and (e) all specialty street signs, if any, originally installed by the Declarant whether or not such street signs are on a Lot or public right-of-way.

In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community, where the Board has determined that such maintenance would benefit all Owners.

In the event that the Association determines that the need for maintenance, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered and paid for by insurance, in whole or in part, then the Association may perform such maintenance, repair or replacement at such Owner's sole cost and expense, and all costs thereof shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot of such Owner.

The foregoing maintenance shall be performed consistent with the Community-Wide Standard.

Section 2. Owner's Responsibility. Except as provided in Section 1 above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. In the event that the Board of Directors of the Association determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Lot.
