## Bay 6

This Christmas ruination plan by Frank and Jesse James, is only a slight improvement over their earlier costumed caper, about ten years ago, when they dressed up as stockings in a sorry effort to get free candy canes. Not surprisingly that plan netted them only coal and a bad case of the grumbles. Be warned citizens, these two are still on the loose. What will they think of next? They were spotted taking the RBRR train to Grinch Gulch.
